DIGITAL MARKETING / APPLIED AI / BRAND GROWTH

ARANAV

Digital Marketing & Applied AI Professional

asarnavsharma04@gmail.com | LinkedIn: linkedin.com/in/aranav-sharma-161880443

PROFESSIONAL PROFILE

Digital marketing and applied AI professional with practical experience in brand promotion, social media planning, SEO research, website reviews, content development and team coordination. Uses ChatGPT, Google Gemini and Gemini Veo to support research, structured prompting and creative content workflows, with a focus on verification, clear communication and useful outcomes.

PROFESSIONAL EXPERIENCE

Head of Marketing | EliteFinish

2026 · Marketing leadership

- Planned social media activities and content calendars to strengthen brand awareness and audience engagement.
- Conducted keyword research, reviewed website metadata and prepared practical SEO and website recommendations.
- Coordinated campaign concepts, creative assets, team tasks and marketing deliverables.
- Prepared progress updates, website review reports and actionable marketing plans.

Digital Marketing Intern | RICOZ Innovation

Internship experience

- Supported social media marketing, digital promotion and online brand communication.
- Assisted with content planning, creative campaign development and routine marketing execution.
- Contributed to organised deliverables and progress updates.

Digital Marketing Intern | IT Hub Solution

Kankarbagh, Patna · Internship experience

- Worked on SEO fundamentals, keyword research and website optimisation.
- Gained exposure to social media marketing and online advertising.
- Supported audience research, analytics, data analysis and reporting.

SELECTED PRACTICE

AI Learning Content Concepts | AA Group of Studies

- Developed educational Shorts concepts, scene-by-scene Gemini Veo prompts, Hinglish dialogue and presenter-led smartboard directions.

EliteFinish Brand & Website Review

- Worked on content calendars, social media planning, keyword research, metadata checks and team coordination.
